## NO OTHER WAY

Could we but see the pattern of our days,  
We should discern how devious were the ways  
By which we came to this, the present time,  
This place in life; and we should see the climb  
Our soul has made up through the years.  
We should forget the hurts, the wanderings, the fears,  
The wastelands of our life, and know  
That we could come no other way or grow  
Into our good without these steps our feet  
Found hard to take, our faith found hard to meet.  
The road of life winds on, and we like travelers go  
From turn to turn until we come to know  
The truth that life is endless and that we  
Forever are inhabitants of all eternity.
