

FROM YOUR BOARD

The following letter was mailed to all Members on May 20, 2010:

May 19, 2010

Dear Members:

Our Unity Vision statement is *"Unity in Action is an accepting, loving community where we awaken to our unfolding expression of God."* On May 6th, Reverend Joy, presented the Board with a proposal that outlined her personal unfolding for the next phase of her life. She has determined, through prayerful thought and meditation, that it is time to transition out of being a full-time minister in order to focus on different ways to be of service. Upon receipt of the proposal, discussions were held at the Leadership table, where the Board and Minister have mutually agreed to dissolve the existing contract (the church will release the Minister and the Minister resigns) effective June 30, 2010.

The Leadership team is committed to holding the space for the members of Unity in Action to walk through this time of transition together and allow Spirit to make this a transformative time. In order to facilitate this, opportunities will be provided for discussion and support as outlined below:

Date	Event	Comment
Sunday, May 30 – 12:30-2:00 pm	Coffee and Conversation	Opportunity to discuss the transition with the Leadership team
Sunday, June 6	Workshop – Finding Yourself in Transition	Workshop facilitated by Rev. Joy
Sunday, June 13	Guest Speaker – Dr. Jim Cliffe	Rev. Joy will be away at the International Conference
Sunday, June 27	Potluck lunch for Rev. Joy	Rev. Joys last Sunday

The Leadership team invites all members to join us in participating in the opening and unfolding of the next phase of our journey. It is our prayer and intention that we walk together as a community with grace and ease knowing that we are guided by the all-knowing Spirit of God.

Blessings to all.

Respectfully submitted to the members of Unity in Action on behalf of the Leadership team

*With God,
all healing, all prosperity
and all things are possible.*
